ADD NEW TRIBES

Truth is to be planted in every place to which we can possibly gain access. . . . The world is to be warned. Field after field is to be entered. The Command given us is: "Add new territory; add new territory." . . . The Lord's solemn, sacred message of warning must be proclaimed in the most difficult fields and in the most sinful cities (Indian pueblos, villages, reservations)—in every place where the light of the third angel's message has not yet dawned. To every one is to be given that last call to the marriage supper of the Lamb.
